Education is a complicated process. Not only teacher but so many other agencies also play important roles in educating young boys and girls. We are all aware of the influence of cinema on the immature minds of children. How quickly they imitate the ways of dressing, walking and talking of their favourite stars. The television too has gained popularity and is not behind in placing its impact on children. Various other public activities like elections and meetings of political parties also go a long way in forming the mental and moral standards. Thus, in
